

The following are films we still are attempting to locate as part of our research for the Image of the Journalist in Popular Culture project. The films are listed first alphabetically and then by year of release. If anyone knows of sources for any of these titles (including video and film sources, as well the availability of copies in archives), please contact Dr. Richard Ness, Associate Director of the IJPC, at [RR-Ness@wiu.edu](mailto:RR-Ness@wiu.edu). Any assistance is greatly appreciated.
